# BENEFITS FOR YOUR COMPANY

• **INTERNSHIP PROGRAMME** - Qualified engineers (with master's degree) attending the programme will complete a training period of six months at your company

• **FIND AND ASSESS FUTURE MANAGERS** - Take control of the vital asset of human resources and assess the skills and commitment of key management prospects internally, before you employ them on contract.

• **INSTIL YOUR MANAGER VALUES** - Highly-qualified individuals will also learn how your organisation works and understand first-hand what values your company instils in its Project Managers

• **INCLUSION ON PROGRAMME BROCHURE**  
**SPECIALISED PORTALS** - Online branding within Dirextra's websites [www.dirextra.com](http://www.dirextra.com), [www.dirextra.co.uk](http://www.dirextra.co.uk), [www.businessconstructionshool.com](http://www.businessconstructionshool.com), social networks (Twitter, Facebook, Google+, LinkedIn, YouTube, etc.) and specialised portals for the programme as well as all the promotional material relating to the course.

• **WORLDWIDE PLACEMENTS**  
Place a specialised engineer in any of your company's ventures worldwide to learn about your business, and execute projects with excellence.

• **ACCESS TO GLOBAL ALUMNI NETWORK**  
Access to the Dirextra alumni network of programme graduates, going back 13 years. No need to pay recruitment consultancy fees to hire experienced managers!

JOIN US AND TRY OUR ENGINEERS

• **MARKETING COLLATERAL DISTRIBUTION** - Dirextra shall advertise your company in social media marketing campaigns to our international Dirextra subscribers. Be highly visible in over 50 countries.
